

## ENTERING “CHARGES” IN TEBRA

(instead of handwriting and kFaxing...do not do both!)

From within the “Tebra Clinical” side (not the PM)-  
Hover over the green “laptop” icon and Select ‘Charges’:

Click the [+ New Charge] button:

Find the patient by typing in Name, then go to the “Procedure” field. Starting typing in 9083... once you see the procedure you want, select it (be sure to click the “heart” icon to make it a “favorite.”) Same of ICD10 (Dx) code field(s). When ready, simply click {Send to Biller} on the bottom of the page.
